

Painting with a Twist

Each Painting with a twist session is designed for maximum fun and satisfaction. Friends get together for an evening of good fun, laughter, and sipping your favorite beverage. Everyone will create a painting with the step-by-step instructions and guidance from experienced and enthusiastic local artists. At the end of the evening you'll leave with a one-of-a-kind creation of your own and possibly a new found talent. But most of all it is a fun non-judgmental environment everyone can enjoy.

Cost: \$37.00
