Council Column

Dear Jug & Mug Members:

Each time it is my turn to write this column, I struggle with the message. Of course, encouraging members to contribute time and energy to the club is always first and foremost. This club only exists because someone ran a trip, hosted a party, helped out and pitched in. But you have heard that message dozens of times and you either have contributed or you have not. A few words here won't make a change.

Sometimes you just need to step back. What do you want from life? What can you control? This year, for me, life has handed me several opportunities to travel. I have not done much traveling or been to many new places, and it is scary to leave the comforts of your home and environment and step out into the unknown. But I made the decision to grab the opportunities. Okay, I am not heading out into the wilds of Borneo with a backpack. But still . . .

Leaving your comfort zone. Taking a risk you will be uncomfortable or feel lost. Chancing a failure. That is scary stuff.

But doing less and less, staying within your comfort zone, never challenging yourself with a new experience, means that you become comfortable with less and less. What if you talked to that person you don't know? What if you expressed curiosity about them and opened up about yourself? What if you did that thing that sounds hard but intriguing? What if you threw a party, even if only a few people came? What if you stretched your abilities? What if you failed, but just continued on? As the saying goes, it isn't how many times you get knocked down but how many times you get back up. And life is sweeter for the experiences.

What were you like when you were 21? Were you braver or more timid? What did you want to do? What did you love? Do you still love the same things? What about when you were 40? The things you love now, are they the same things you loved 20 years ago? Probably the answer is a mix. Yes to some things, but some of the things you thought you would never stop loving, well, they don't really fit into your life any more. And 10 or 20 years from now, you will probably have a different answer. Experience, life, changes us. That is good. We need to change, we need to grow. Give yourself the gift of change, the gift of understanding, the gift of investment of time and talent. Find something, if not someone, to love. Make that investment. Then come back and tell me all about your experience!

ONGOING EVENTS

TGIF — Every Friday, the club meets for happy hour from 5-7 pm. On July 1 and 8, we will be at Reno's East, 1310 Abbot Road, East Lansing. The Sea Cruisers are playing in East Lansing in the Ann Street Plaza, East Lansing. On July 15 and 22, meet at the Mayfair Bar, 1585 Lake Lansing Road, Haslett, on the roof top. The concert at Lake Lansing Park on July 15 will be Don Middlebrook. July 22, the Sea Cruisers will be in concert. July 29, meet at the Blue Gill Grill, 1591 Lake Lansing Road, Haslett, with Life Support performing the concert in the park. Both bars are in Haslett, right next to each other. With happy hour and concerts, it will be fun. Please park at Lake Lansing Park during the concerts. Both bars are busy so don't leave your car in the bar parking lot while attending the concert.

In August, we will be at Coach's Pub and Grill on August 5 and 12, then the Dispatch Sports Pub and Grill August 19 and 26.

Linda Lillie is our happy hour coordinator. If you have any suggestions for happy hour locations, contact Linda at 290-0189 or LMLillie@gmail.com.

Movie Matinee — Do you enjoy watching the latest movie release? Join an informal group to see all the newest shows on Thursday afternoons at NCG Theatre, Eastwood Towne Center. Joanne Creede will send out an email on Friday (sometimes later) listing the movies and the time, *usually* the last showing prior to 6:00 p.m. Vote for your choice via email and Joanne will send out an email on Wednesday stating the movie choice and the time. We often go out for a bite to eat afterward and discuss the movie, and other subjects. The cost of the movie is \$5; everything else is optional. Contact Joanne at kayjoe@comcast.net to get on the email listing. If you don't have email, you can still attend the movies with us. Call Joanne after 8:00 pm on Wednesday at 285-4795 to find out the selected movie and viewing time.

Walking the River Trail — Join us every Monday and Wednesday at 410 South Cedar, Lansing, at 6:15 pm for a walk on the River Trail. We walk four miles, to Potter Park Zoo and back. You will get beneficial exercise and it may help you shed a few of those excess pounds. The weather is warm, the path is full of runners, walkers, and bikers. Everyone is doing it! Why not you? It is cooler out there in the evening. Put on your walking shoes and join us, laugh with us, and enjoy the outdoors. Call Joanne Creede at 285-4795 or Bonnie Mernitz at 449-6368 with any questions.

Jug & Mug Book Club — The Jug & Mug book club gets together every 6 weeks or so to discuss the book we have chosen at the previous meeting. We munch on a snack or two, have a glass of our favorite beverage, and chit-chat a bit before discussing the book.

Our next book is the East Lansing & MSU's One Book One Community (OBOC) selection, ***Enrique's Journey*** by Pulitzer Prize-winning journalist Sonia Nazario. The power of the book is its singular look at the personal experience of one boy, who sets out alone from Honduras to find his mother in the United States. Enrique's mother left him with relatives as a small child and, as he grows up, all he knows of her is sporadic phone calls and money sent home for food and clothes. With the desperate hope of finding her, Enrique embarks on a harrowing, 2,000-mile journey on the dangerous rooftops of the freight trains speeding north toward the U.S. He makes 11 attempts to reach the U.S. before he is successful, but, as with many migrants, when he arrives, a new struggle begins – the struggle to adapt to life in a foreign land. A series of community and campus events will be planned around the 2016 OBOC theme. The first one is a talk with the author at 7:00 pm on Sunday, August 28, at the Hannah Community Center and is open to the public.

The discussion date has not been selected but will probably be in August. If you are interested in being included on the Jug & Mug book club notification list, please contact Helen Ross at 332-5595 or hall_family@hotmail.com.

Singing at Burcham Hills — We will be singing at Burcham Hills on Sunday, July 17, downstairs in the Whitehouse Room, at 7:00 pm. Come and join us for an uplifting hour of music. Song sheets are provided and Burcham residents love our participation. It is a great opportunity to feel good about helping others. For more information, contact our music coordinator, Diane West, at westdance@att.net or 810-687-7007.

Social Tennis — Time to socialize and play tennis outdoors **and the cost is FREE!** If the weather cooperates, play begins between 5:00 and 5:30 pm on Thursday evenings at the Letts Center courts, 1220 West Kalamazoo Street, one block west of Martin Luther King Boulevard.

The email list is the medium for regular updates. Contact Rich Rybicki at richrybick@yahoo.com or Oren Christmas at christmaso@comcast.net to be placed on the list. See you on the courts.

ALASKAN CRUISE, MAY 29-JUNE 5 From our first glimpse of Vancouver, we were in love with this trip. An amazing city, nothing but our cruise

ship could have dragged us away. And what a great cruise ship. The staff was attentive to our every need, there was a salt water spa pool, other

spa options, a regular swimming pool and hot tubs, several dining areas, work out areas, so many options of things to do it is difficult to list them all. There were professional performances, nature lectures, shopping opportunities, dancing, bars, music, painting auctions, exercise classes, on and on. We had a day of cruising and relaxing and then we were in Icy Strait Point. Most of us went on an excursion of one kind or another and got to know the Alaska Native Huna Tlingit culture a bit. The next day we cruised past the Hubbard Glacier. It is so big that the word amazing is too weak an adjective. We heard what sounded like thunder and watched as the glacier "calved." The scenery was breathtaking throughout the entire passage. That evening, we continued on to Juneau, where we broke off on our individual excursions. No matter what your interest, there was something that would appeal to you. Next day was Ketchikan, where we did have a small problem. If you have not heard, Google "cruise ship hits dock in Ketchikan." We were unable to exit the ship for several hours but all was well, repairs were made, and we were on our way back through the Inside Passage to Vancouver. No more incidents, everyone successfully returned with memories and stories to tell. We all loved our trip and are looking forward to our next opportunity to cruise.

TURKEYVILLE DINNER THEATRE,

JUNE 11 The Turkeyville Dinner and Theatre was awesome! Twenty-five of us attended *Nana's Naughty Knicker's* and the comments were that it was a cute and funny play. We had a wonderful turkey dinner (the turkey that was being carved was 37 lbs!) Most of us saved a little room, as after dinner we were offered homemade ice cream, a

cheese cake, or coconut cream pie for dessert. Thank you to all who signed up; it was certainly a good value for the money!

PRESIDENT'S PICNIC, JUNE 12 A new location, but with a familiar theme. We again welcomed Bilky Joda-Miller as our 'head of state' for another year at Lake Lansing North Park with hot dogs and burgers on the grill, and plenty of side dishes and desserts provided by the membership. The perfect weather enhanced the activities; from horseshoes, Euchre, socializing, and enjoying the atmosphere. Thanks to all who came out to join in the annual event.

Joanne Creede and Orestes Mavromatis

DINNER & A MOVIE, JUNE 18 Twelve people showed up at Dusty's Cellar for dinner. We were in a private room and they had a nice variety of selections on the menu. This is the first time I'd been to dinner there and enjoyed it. I believe everyone enjoyed their meals and we had a good time. Only three of us made it to the movie, *The Lobster*. The movie was different; it started looking like a comedy and kind of ended up pretty crazy. It might interest you know that in that crazy universe, being single is frowned on. I'm glad I live here. Anyway, I did enjoy the movie and I think others might have enjoyed it too. Join us next month at the La Senorita Mexican Restaurant for dinner and the movie will be at NCG.

Bilky Joda-Miller

LUGNUTS GAME, JUNE 24 On a gorgeous Friday evening, 20 club members and one guest showed up to enjoy a night of Lugnuts baseball. After a tight game, Lansing broke away in the sixth inning to defeat the West Michigan White-caps 12-7. In addition to great plays, there were lots of laughs, conversation, and good food and drink. Best of all, everyone had a good time. When the game finished, we were also treated to a fireworks show. All in all, a fun night at the ballpark. We will do this again next year.

HOUSE PARTY, JUNE 25 We had a great outdoor summer solstice party. Beautiful weather provided the backdrop, enhanced by numerous friends and new acquaintances. The chefs served up delicious food. A beautiful cake and ice cream was served in honor of Kurt's 80th birthday. If you were not at the party, be sure and wish him a belated happy birthday the next time you see him. Several attendees played Euchre or competitive lawn games, including the trash talk. All in all, a successful party.
